Dear Michel,

On behalf of the Welfare Society for the Hearing Impaired (WSHI) and myself I would like to express our sincere thanks to you for your kind contribution of \$ 2500.00 (Two thousand five hundred US dollar) for the Welfare Society for the Hearing Impaired. I would like your consent to use your donation money to purchase computers for computer training Program for Hearing Impaired Children. I'll keep you updated regarding this matter. It is so thoughtful of you to think of Hearing Impaired children of Nepal. Thank you so much for your continued interest to the Hearing Impaired Children of Nepal and WSHI.

Warmest regards to you.
